

# Root Conditioner

## Introduction

Root Conditioner is a humic acid based, natural & organic, liquid product. It promotes rooting for maximum nutrient uptake. It also helps in chelation of nutrients in rhizosphere when used in drip/drench applications.

## Benefits

- \*Promotes root growth in plants.
- \*Shortens time to transplant in seedling/cuttings.
- \*Establishes dense root structure from early stages.
- \*Contains humic acid and kelp.

## Guaranteed Minimum Analysis

<b>Soluble Potash (K<sub>2</sub>O)</b>	<b>2.0 %</b>
<b>Zinc (Zn) (actual)</b>	<b>0.10 %</b>
<b>Boron (B) (actual)</b>	<b>0.03 %</b>
<b>Manganese (Mn)</b>	<b>0.09 %</b>

## Product Characteristics

Appearance: Brown black Liquid  
pH: 9.0 to 10  
Specific Gravity: 1.048 g/ml

## Directions for Use

Root Conditioner should only be used in root zone through drip or drench. For maximum benefits, use sufficient water for good coverage.

**Drip:** 10 – 20 litres/acre for first application and 5-10 litres for subsequent applications.

Use 5-10 litres/acre for greenhouse conditions and use 10-20 litres/acre for open field growing.

**Drench:** Use 25–30 ml of Root Conditioner per litre of water to provide enough coverage.

## Packaging Sizes

20 L, 1000 L

## Storage & Cautions

- Shake well before use.
- Store the product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray / dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

## Conditions of Sale and Limitations of Warranty & Liability:

There are no implied warranties of merchantability or fitness with respect to the product, nor are there any expressed warranties other than as may be contained in any guaranteed analysis that may accompany the product. Seller shall not be liable for any special, indirect, incidental or consequential damage or expense of any nature, including but not limited to lost profits, property damage or personal injuries in the use, handling or storage of the product. Seller's liability is limited to refund of purchase price as per return policy of company.
